Pee Dee Fleet Joins the Power Heavy Duty Network

- *Pee Dee Fleet offers heavy duty parts and drive-in and shop services*
- *Well-established company serves diverse customer base*
- *Location expands Power Heavy Duty distribution in South Carolina*

Crystal Lake, Ill. – (April 5, 2023) – [Pee Dee Fleet](#), located in Hartsville, South Carolina, recently joined the [Power Heavy Duty](#) network.

Pee Dee Fleet started at their current location in 2006 as a heavy duty parts counter and warehouse and has since expanded its operations to include a paint booth, engine rebuild area and additional warehouse space.

The company is a one-stop truck and trailer center serving a diverse range of customers from on/off highway, agricultural, construction and industrial, to fleets, school buses and owner-operators. In addition to parts, Pee Dee Fleet provides drive-in service and shop services, including engine rebuilding, suspension services, DPF cleaning and hydraulic hoses, as well as roadside towing, on-site truck service, paint and a dedicated trailer shop.

“The addition of Pee Dee Fleet to the Power Heavy Duty Network expands our distribution in South Carolina, bringing quality parts and service to customers in and around Darlington County’s largest city,” said Jim Pennig, vice president of business development, VIPAR Heavy Duty Family of Companies. “This a well-established business and a great addition to our network; we look forward to supporting Pee Dee Fleet’s continued success.
