Monday Trailers & Equipment Joins Power Heavy Duty Network

HOFFMAN ESTATES, III. (Dec. 14, 2023) – Monday Trailers & Equipment, the newest distributor to join the Power Heavy Duty network, knows trailers. They repair them, rebuild them, provide parts for them, sell them, install them, customize them and do most anything else a customer may require.

Headquartered in Strafford, Missouri, and founded in 1986 by Don Monday, who sold it to his son Ryan Monday in 2013, the company has steadily expanded its suite of services while keeping a strong focus on all things trailer.

“Monday Trailers & Equipment is a great addition to the Power Heavy Duty network, bringing exceptional experience and value to end-user customers,” said Jim Pennig, vice president of business development for the VIPAR Heavy Duty Family of Companies. “They are committed to strategic growth – both in the territories they serve and in the products and services they offer – and they are devoted to serving the full range of customers’ trailer needs with the highest levels of satisfaction.”
