Crystal Lake, Ill. – March 21, 2018 - [Fleet Supply Warehouse](#) is the newest member company to join [Power Heavy Duty](#). Based in Houma, Louisiana, Fleet Supply Warehouse has been providing high quality brand name filters, belts, batteries and exhaust products to the oil field, shipping and on-highway industries for more than four decades.

Fleet Supply Warehouse was established in 1974 and offers a large inventory of truck and trailer components. The company operates from a 63,000-square-foot warehouse to provide timely and reliable delivery service to much of southern Louisiana including New Orleans, Lafayette and Baton Rouge.

“The experienced management and sales team at Fleet Supply Warehouse have the product knowledge and proven expertise to meet the unique needs of each customer,” said Mark Iasiello, general manager, Power Heavy Duty. “We are pleased to welcome them to the growing family of Power Heavy Duty distributors.”
