General Information:

CURT is the leading manufacturer of American-made towing products. CURT specializes in custom-fit trailer hitches and custom wiring harnesses, produced right here in the United States. CURT also offers a broad range of other towing products and accessories to fully equip their customers for the road ahead.

A few of Curt's defining qualities include:

- Made-in-USA custom-fit trailer hitches and wiring
- ISO / TS 16949 certification for quality manufacturing
- Leading first-to-market track record and order-fill rate
- A full line of towing products, including heavy-duty equipment

- **10 warehouse locations in the US and one in Canada where product will be shipped from. Most members will receive overnight service if ordered before 3:00PM daily at regular UPS rates.**

CURT Manufacturing stands for EXCELLENCE in our products and our associates. CURT aspires to be the industry LEADER by recognizing that the customer is KING and our associates are our greatest ASSET.
