### General Information:

Turbo Solutions is a supplier of new and remanufactured turbochargers. Specializing in heavy, medium, light duty trucks and off-highway equipment. In stock turbos are available for same day delivery, or we can custom repair and return your turbo usually within 24 hours. We offer fast turnaround time at a significant savings. Our world class team of turbo specialist are dedicated to providing the best products, customer service and technical support. At Turbo Solutions our goal is 100% customer satisfaction.

Turbo Solutions differentiates itself with our state of the art remanufacturing facility, which enables us to build quality products at a competitive price meeting all of your complex turbo requirements.

Complete details of the Turbo Solutions Program can be found under “**Programs**” on [www.powerheavyduty.net](http://www.powerheavyduty.net).

If you are already buying from Turbo Solutions please notify your Program Manager, Bob Schmitt, [bschmitt@vipar.com](mailto:bschmitt@vipar.com) to help ensure you begin receiving the new program benefits.
