General Information:

Plombco is a world leading wheel weight manufacturer that has developed the most innovative and comprehensive product lines in the industry. With quality-minded employees, the company produces over one million units per day in its two highly automated facilities. Plombco products are sold to OEM's and aftermarket customers across the Americas, Europe and Asia. Plombco is also the maker of the patented Plasteel® premium wheel weights for passenger cars and light trucks. No other manufacturer offers this patented product. Enjoy the benefits and comfort of balancing your heavy-duty truck wheels by using Plombco lead or zinc truck wheel weights. The use of these products reduces maintenance costs and prolongs tire life.
