**General Information:**

DCM Manufacturing, Inc., a Dreison International Company is a leading global supplier of OEM mobile air movement, heaters and DC motors for the mobile HVAC, Yellow Bus, Shuttle Bus and Heavy Duty Truck market. Aftermarket products include 12v and 24v dash mount defroster fans, axial cooling fans and hydronic heaters. All products are designed for durability in harsh environments and made from steel or glass filled nylon for maximum impact strength and heat resistance. DCM manufactures products in Cleveland, OH, Grand Prairie, TX, Empalme, Mexico with manufacturing partnerships in China and Turkey. See all our products at: [www.dcm-mfg.com](http://www.dcm-mfg.com) and [www.maradynemobile.com](http://www.maradynemobile.com).

Complete details of the DCM Manufacturing, Inc. Program can be found under “**Programs**” on [www.powerheavyduty.net](http://www.powerheavyduty.net).
