### **Power Heavy Duty Expands its Reach with 12 New Members in 2024**

**HOFFMAN ESTATES, III. (Dec. 30, 2024)** – Power Heavy Duty welcomed 12 new members in 2024, which in turn added 13 new points of sale to their U.S. roster.

"Our commitment is not just to grow in numbers but to grow in quality and purpose, ensuring each new member and acquisition strengthens our collective impact and meets the need of parts and service customers nationwide," said Jim Pennig, Vice President of Business Development. His comment was shared at the group's annual IMPACT Conference, held recently in Marco Island, Fla. Power Heavy Duty was also recognized for reaching its 30<sup>th</sup> Anniversary.

The following companies were welcomed into the network this year:

#### **3rd East Auto Parts**

Chad Orme

Roosevelt, Utah

3<sup>rd</sup> East sells automotive parts, heavy duty parts, and products for the local agriculture, mining, and off-road business. It was founded in 1979 and serves a rural area with a large trucking community and operates a heavy duty repair facility to service agricultural and mining fleets.

#### **Caledonia Diesel LLC**

Paul Raymond, John Raymond, and Gary Raymond

Caledonia, New York

Caledonia Diesel serves western New York's agricultural community, building and roadway contractors, towns and municipalities, trucking companies, and export customers. Caledonia operates a 22-bay repair facility, offers an extensive inventory of new and used parts, and sells trucks, farm equipment, and generator power systems.

#### **Freedom Heavy Duty LLC**

James and Janice Goldberg

White Oak, Texas

Freedom Heavy Duty was founded in 2014. They operate a 15,000 square foot warehouse and showroom, with additional space for brake drums, shoes, springs and landing gear, and more. They serve local fleets, service centers, owner/operators and the construction, agriculture, timber, and oil field industries.

### **The Heitman Co., Inc.**

Landy Dickey and Brent Dickey  
Houston, Texas

The Heitman Co., Inc. was founded in 1924 and serves the industrial brake industry in Louisiana, Mississippi, Alabama, Texas, and Oklahoma. They provide brake linings, suspension, and friction materials for the heavy duty parts and heavy industrial markets including crane, off road equipment, tractors, marine and logging equipment, and onshore and offshore oil field equipment.

### **Henry's Truck Parts**

Urszula Czynczyk and Greg Czynczyk  
Elgin, Illinois

Henry's is a family-owned business that serves the Chicagoland area with truck parts and accessories. Their selection of tens of thousands of parts and components, from semi-truck batteries to brake line fittings and truck air brakes to air springs, can be acquired in person, online, or through convenient shipping.

### **John's Spring and Suspension LLC**

Michael Colyer  
Reno, Nevada

John's Spring and Suspension has been serving northern Nevada since 1978. They specialize in leaf spring suspension repair and replacement, suspension, and brake and driveline service along with light manufacturing of U-Bolts and retainer clips. They service light, medium, and heavy duty markets from both independent operators and local fleets.

### **Philadelphia Truck Parts**

Sergio Srdan Krstic  
Philadelphia, Pennsylvania

Philadelphia Truck Parts operates a 21,000 square foot facility with showroom and warehouse and an e-commerce site currently under development. Their customer base includes fleets, municipalities, highway departments, machine shops and construction.

### **Powertrain Plus Truck Parts & Service**

Mert Kahyaoglu, John Ferry  
Cinnaminson, New Jersey

Powertrain Plus Truck Parts & Service formed last year when Kahyaoglu and Ferry merged their businesses to establish a distributorship and service facility. They provide parts and service around transmissions, differentials, driveline/drive shaft, flywheel turning, and DPF cleaning. They serve independent repair shops, waste, dump, line haul, and construction fleets.

### **Ron's Repair Inc.**

Ronald Prins

Worthington, Minnesota

Founded in 1990, Ron's Repair grew from Prins's personal property to today's 22-shop bays and 15,000-square-foot parts room. Their main focus is service on semis, trailers, buses, and reefer units.

### **TIFCO Industries**

Bob Brown and Chris Brown

Cypress, Texas

Founded in 1961, TIFCO Industries is a single source, stocking distributor of over 45,000 quality, maintenance and repair operation (MRO) products for all types of industrial, fleet, and heavy duty equipment. TIFCO maintains two strategically located distribution centers in Houston and Reno.

### **Trailines Enterprises**

Craig Sumeral and Todd Sumeral

West Chester and Columbus, Ohio

Trailines is family-owned and operated and began in 1981. From a single mobile truck, it has expanded to 28 bays for truck and trailer repairs, maintenance, painting, decal installation and removal, new and used trailer sales, and local cartage service in the greater Cincinnati area

### **Westman Company Inc.**

Gerald Westman

Amherst, Wisconsin

Under the name Diesel Machine Service, Inc. they sell overhaul-kits, fuel injectors, turbos, and many other parts. They also overhaul and re-machine various truck and agricultural/construction engine components with services including machining and engine component repair.
